To address the Board: This is a privilege, not a time for the Town Board to talk about non-agenda items. This is a violation of the Open Meeting Laws. The President or Chair can briefly address the comments or questions from the public, or it should be put on the agenda with proper notices given in the future. The President or Chair may allow anyone to speak if so entitled (Robert Rules: Parliamentary procedures; from the WTA Handbook, advice on Meeting Procedures). Bottom line is the Board or Committee should not engage in a lengthy discussion if not on the agenda.
10. Supervisor Reports:
  - A. Recycling Report – Supervisor Reabe. Monthly activities at the R/S/GW Center.  
July was the largest month for recycling items. Question: Rouse, how come some items are being refused with recycling emblems on them. Reabe: Advanced doesn't accept all of the new items at this time.
